## MORAL DILEMMA

A moral dilemma refers to a situation in which a person is faced with two or more conflicting moral choices, each of which has significant consequences.

### OVERVIEW

A moral dilemma presents a difficult decision-making scenario where there is no obvious or easy solution that aligns perfectly with one's ethical principles. Moral dilemmas often involve conflicting values, obligations, or duties, forcing individuals to weigh the potential harm or benefit associated with each option.

### EXAMPLE

**Prioritizing Elder Care:** Imagine a working individual struggling to balance work responsibilities with eldercare. On one hand, they want to provide proper care for their elderly parent but on the other hand, they fear losing their job. This could be classified as an obligation dilemma, as the individual is torn between two significant responsibilities.
