**An engaging and immersive medical thriller that will keep you on the edge of your seat from beginning to end.**

Dr. Emily Carter is a brilliant young surgeon who has just started her residency at the prestigious Sierra View Hospital. She is eager to prove herself and make a difference in the lives of her patients. But when a series of mysterious deaths occur on the hospital's cardiac surgery unit, Emily finds herself drawn into a dangerous game of cat and mouse with a killer who seems to be targeting her patients.

As Emily investigates the deaths, she uncovers a sinister plot that reaches the highest levels of the hospital administration. She soon realizes that she is not only fighting for the lives of her patients, but also for her own. With the help of a small group of allies, Emily must race against time to stop the killer before it's too late.

*Code White: The Sierra View* is a gripping medical thriller that will keep you guessing until the very end. Emily Carter is a strong and determined heroine who will appeal to readers of all ages. The plot is fast-paced and suspenseful, and the characters are well-developed and relatable.

If you are a fan of medical thrillers, then you will not want to miss *Code White: The Sierra View*. This is a book that will stay with you long after you finish reading it.
