In this book, author bell hooks draws on her own experiences as an activist and organizer to offer a unique perspective on the challenges and opportunities of social change. She argues that liberation and resistance are not simply abstract concepts, but rather concrete practices that can be used to create real change in the world.

hooks provides a roadmap for social change, offering concrete strategies for building power and creating community. She also challenges us to think

critically about the ways in which power and oppression are maintained, and to develop new ways of organizing and resisting that are truly transformative.

What Others Are Saying

"Defiant Visions Of Power And Community is a tour de force. bell hooks has written a book that is both deeply personal and profoundly political. This book is a must-read for anyone who is committed to creating a more just and equitable world." - Angela Davis

"bell hooks is one of the most important voices in the movement for social change. Her work is essential reading for anyone who wants to understand the challenges and opportunities of our time." - Cornel West
