Review:

Ear, Nose and Throat at a Glance is a comprehensive and up-to-date guide to the diagnosis and management of ENT disorders. This book is written by a team of experienced ENT surgeons and provides a concise overview of the latest advances in the field. The book is well-organized and easy to navigate, with clear and concise text and numerous illustrations and tables. The authors have done an excellent job of distilling the vast amount of information on ENT disorders into a manageable and accessible format. This book is an essential resource for ENT surgeons, otolaryngologists, and other healthcare professionals who care for patients with ENT disorders.
