Ruhlman begins his journey in ancient Greece, where he explores the origins of the Mediterranean diet and the role of food in Greek culture. He then travels to Rome, where he witnesses the rise of the Roman Empire and the development of a sophisticated cuisine that would influence the world for centuries to come.

From Rome, Ruhlman travels to the Middle East, where he explores the culinary traditions of the Arab world. He then travels to India, China, and Japan, discovering the diverse and flavorful cuisines of these ancient civilizations.

Finally, Ruhlman returns to Europe, where he explores the development of modern cuisine in France, Italy, and England. He concludes his journey in the United States, where he examines the impact of immigration on American food culture.

Feasting On The Spoils is a fascinating and informative look at the history of food. Ruhlman's writing is engaging and accessible, and he brings to life the people and cultures that have shaped the way we eat today.

Here are just a few of the many things you'll learn in Feasting On The Spoils:

- The true story of how pizza came to be
- The secret ingredient that makes French cuisine so delicious
- The surprising origins of sushi
- The role of food in the American Revolution
- The future of food

If you're a food lover, a history buff, or simply someone who enjoys a good story, then you'll love Feasting On The Spoils. This book is a must-read for anyone who wants to understand the world through the lens of food.
