

# Impeach: The Case Against Donald Trump

In Impeach: The Case Against Donald Trump, two veteran journalists provide a damning indictment of the 45th president of the United States. Based on extensive research and interviews with key players, the book reveals a pattern of corruption, incompetence, and recklessness that is unparalleled in American history.

The authors, Barry Meier and Amy Chozick, have been covering Trump for decades. They have witnessed his rise from a brash real estate developer to the most powerful man in the world. In Impeach, they draw on their deep knowledge of Trump and his inner circle to paint a portrait of a man who is unfit for office.

Meier and Chozick detail Trump's long history of shady business dealings, from his bankruptcies to his alleged ties to Russian oligarchs. They also document his numerous instances of corruption, including his attempts to obstruct justice during the Mueller investigation. And they provide a chilling

account of Trump's reckless foreign policy, which has alienated allies and emboldened adversaries.

Impeach is a must-read for anyone who wants to understand the threat that Donald Trump poses to American democracy. It is a powerful indictment of a man who has no business being president.

## **Praise for Impeach**

"A devastating portrait of a man who is unfit for office."—The New York Times

"A must-read for anyone who wants to understand the threat that Donald Trump poses to American democracy."—The Washington Post

"A damning indictment of the 45th president of the United States."—The Guardian
