### By Daniel S. Levine

In an era of fake news and partisan spin, it's more important than ever to have journalists who are willing to tell the truth, no matter how inconvenient or unpopular it may be. Daniel S. Levine is one of those journalists. A veteran reporter with over 30 years of experience, Levine has covered some of the most important stories of our time, from the wars in Iraq and Afghanistan to the rise of Donald Trump.

In his new book, *Reporter View From The Trenches*, Levine takes readers on an unsparing journey into the world of war, politics, and social justice. Drawing on his own experiences as a reporter, Levine reveals the challenges and dangers of reporting on the front lines, and the importance of holding truth to power.
