In this book, Dr. Mark Kramer explores the complex relationship between Russian Orthodoxy, politics, and nuclear strategy. He argues that Russian Orthodoxy has been a major force in shaping Russian nuclear policy, and that this relationship has had a significant impact on international security.

Kramer begins by examining the historical roots of the relationship between Russian Orthodoxy and the state. He shows how the Orthodox Church has played a central role in Russian history, providing both spiritual and political guidance to the Russian people. He then traces the development of Russian nuclear policy, from its origins in the Soviet era to the present day.

Kramer argues that Russian Orthodoxy has had a profound influence on Russian nuclear strategy. He shows how Orthodox beliefs about the nature of the world, the role of the state, and the importance of national security have shaped Russian nuclear policy. He also shows how the Orthodox Church has played a direct role in the development and deployment of nuclear weapons.

Kramer's book is a major contribution to the study of Russian nuclear strategy. It provides a comprehensive and nuanced analysis of the complex relationship between Russian Orthodoxy, politics, and nuclear weapons. It is a must-read for anyone who wants to understand the role of religion in nuclear strategy.
