Scopolamine and the Screen Door is a gripping and suspenseful novel that explores the dark side of corporate greed and the lengths people will go to protect their secrets.

The story follows Alex, a young woman who is hired by a pharmaceutical company to test a new drug. The drug, scopolamine, is supposed to help people remember their dreams. But Alex soon discovers that the drug has a sinister side. It can also make people forget their nightmares.

As Alex delves deeper into the company's secrets, she finds herself drawn into a web of deceit and danger. She is pursued by shadowy figures who will stop at nothing to silence her. And she begins to question her own sanity as she struggles to distinguish between reality and nightmare.

Scopolamine and the Screen Door is a fast-paced and suspenseful thriller that will keep you on the edge of your seat from beginning to end. It is a story about the power of memory and the darkness that can lie hidden within us all.

Praise for Scopolamine and the Screen Door

"A gripping and suspenseful thriller that will keep you on the edge of your seat from beginning to end." - Publishers Weekly

"A dark and twisted tale that will haunt you long after you finish reading it." - Booklist

"A must-read for fans of psychological thrillers." - Library Journal
