

Stay Safe: Crime Map of Birmingham, England

Birmingham, England is a vibrant and diverse city with a rich history and culture. However, like any major city, it also has its share of crime. To help you stay safe while visiting or living in Birmingham, we have created this comprehensive crime map. This map will provide you with information on crime rates, crime trends, and safety tips for different neighborhoods in Birmingham.

According to the latest crime statistics from the West Midlands Police, Birmingham has a crime rate of 103 crimes per 1,000 people. This is higher than the national average for England and Wales, which is 89 crimes per 1,000 people. The most common types of crime in Birmingham are theft, burglary, and violence against the person.

Crime rates in Birmingham have been declining in recent years. However, there has been a slight increase in violent crime in the past year. This increase is likely due to a number of factors, including the COVID-19 pandemic and the economic downturn.
