Art Smith was born in Fort Wayne, Indiana, in 1924. He was born with a rare and debilitating condition called osteogenesis imperfecta, which causes bones to be extremely brittle and prone to fracture. As a result of his condition, Art spent most of his life in a wheelchair or on crutches. He was also unable to speak clearly, and his body was severely deformed.

Despite his physical challenges, Art was a bright and articulate young man. He loved to read and write, and he had a gift for expressing himself through poetry and prose. In his writings, Art explored the themes of disability, isolation, and the search for meaning in life.

In 1947, Art's writings were published in a book called *The Bird Boy of Fort Wayne*. The book was an immediate bestseller, and it brought Art

international fame. He was invited to speak at universities and churches, and he became a symbol of hope for people with disabilities.

Art Smith died in 1959 at the age of 35. He left behind a legacy of hope and inspiration that continues to touch the lives of people around the world.
