Are you looking for a way to give your child a head start in life? Do you want to help them succeed in college and beyond? If so, then you need to read *The Harding Family Method: College Ready By Age Twelve*.

This revolutionary book teaches parents how to prepare their children for college success at an early age. The Harding family has homeschooled all of their children, and they have a proven track record of success. Their oldest son, David, was accepted to Harvard University at the age of twelve. Their daughter, Elizabeth, was accepted to Stanford University at the age of eleven. And their youngest son, Andrew, was accepted to Yale University at the age of twelve.

In *The Harding Family Method*, you will learn how to:

- Set up a college-ready homeschool environment
- Choose the right curriculum for your child
- Teach your child effectively
- Prepare your child for the college admissions process

The Harding Family Method is the only book you need to help your child succeed in college. If you are serious about giving your child the best possible education, then you need to read this book.
