Now, with the publication of **The JFK Assassination Witness Index**, a definitive compendium of witness interviews, transcripts, and biographies, researchers and the public alike have access to a wealth of firsthand information.

Uncovering the Voices of History

Edited by Jefferson Morley, a renowned expert on the assassination, the Witness Index is the culmination of years of meticulous research. It brings together witness accounts from a wide range of individuals, including:

- Bystanders who witnessed the shooting from various angles
- Police officers who arrived on the scene
- Secret Service agents who were part of the presidential motorcade
- Reporters who covered the assassination
- Medical personnel who treated Kennedy

Each witness account is presented in its entirety, providing readers with the opportunity to gain a firsthand perspective on the events as they unfolded.

Separating Fact from Fiction

The assassination of JFK has been shrouded in controversy from the outset. Conspiracy theories have abounded, fueled by conflicting witness accounts and gaps in the evidence.

The Witness Index plays a crucial role in separating fact from fiction by providing a comprehensive and unbiased record of witness testimonies. By allowing readers to examine the accounts themselves, the book promotes critical thinking and evidence-based analysis.

Investigating the Details

In addition to witness accounts, the Witness Index includes extensive biographical information on each witness. This allows researchers to

evaluate the credibility and potential biases of the individuals providing testimony.

The book also includes transcripts of official hearings and investigations, such as the Warren Commission and the House Select Committee on Assassinations. These documents provide context for the witness accounts and shed light on the official narrative of the assassination.

A Valuable Resource for Researchers

The JFK Assassination Witness Index is an indispensable resource for anyone interested in the assassination of JFK. It provides a comprehensive collection of witness accounts, biographical information, and official transcripts, allowing researchers to delve deeply into the details of this pivotal event.

For historians, students, journalists, and conspiracy theorists alike, the Witness Index is a must-have addition to any collection. It is a testament to the enduring power of history and the importance of preserving the voices of those who witnessed it firsthand.
