

The New State of an Old Nation: Rethinking British Politics, Culture, and Society

By the Editors of Manchester University Press

The United Kingdom is a nation with a rich history and a complex present. In recent years, the UK has undergone a period of significant change, both politically and socially. The country's decision to leave the European Union has had a profound impact on its economy, its society, and its place in the world.

The New State of an Old Nation is a comprehensive and engaging exploration of the current state of British politics, culture, and society. Written by a team of leading scholars, the book provides a fresh perspective on the challenges and opportunities facing the UK in the 21st century.

The book is divided into three parts. The first part examines the political landscape of the UK, from the rise of populism to the challenges of Brexit. The second part explores the social and cultural changes that are shaping British society, from the changing nature of work to the impact of immigration. The third part looks to the future and considers the prospects for the UK in the years to come.

The New State of an Old Nation is an essential read for anyone who wants to understand the complex challenges facing the UK today. The book provides a valuable overview of the country's political, social, and cultural landscape, and it offers a fresh perspective on the challenges and opportunities that lie ahead.
