The book is divided into three parts. The first part provides an overview of the ethical and legal principles that govern the attorney-client relationship. The second part discusses the specific obligations of attorneys to defend their clients, including the duty to investigate the case, to present all available defenses, and to avoid conflicts of interest. The third part of the book provides practical guidance on how to defend clients effectively, even when the evidence against them is overwhelming.

The Responsibility to Defend is a valuable resource for attorneys at all levels of experience. The book provides clear and concise explanations of the ethical and legal principles that govern the attorney-client relationship. It also provides practical guidance on how to defend clients effectively, even when the evidence against them is overwhelming.
