In this eye-opening and thought-provoking book, Harris exposes the self-sabotaging behaviors and limiting beliefs that keep us from reaching our full potential. With wit, wisdom, and a healthy dose of tough love, Harris challenges us to confront our own ignorance and take ownership of our lives.

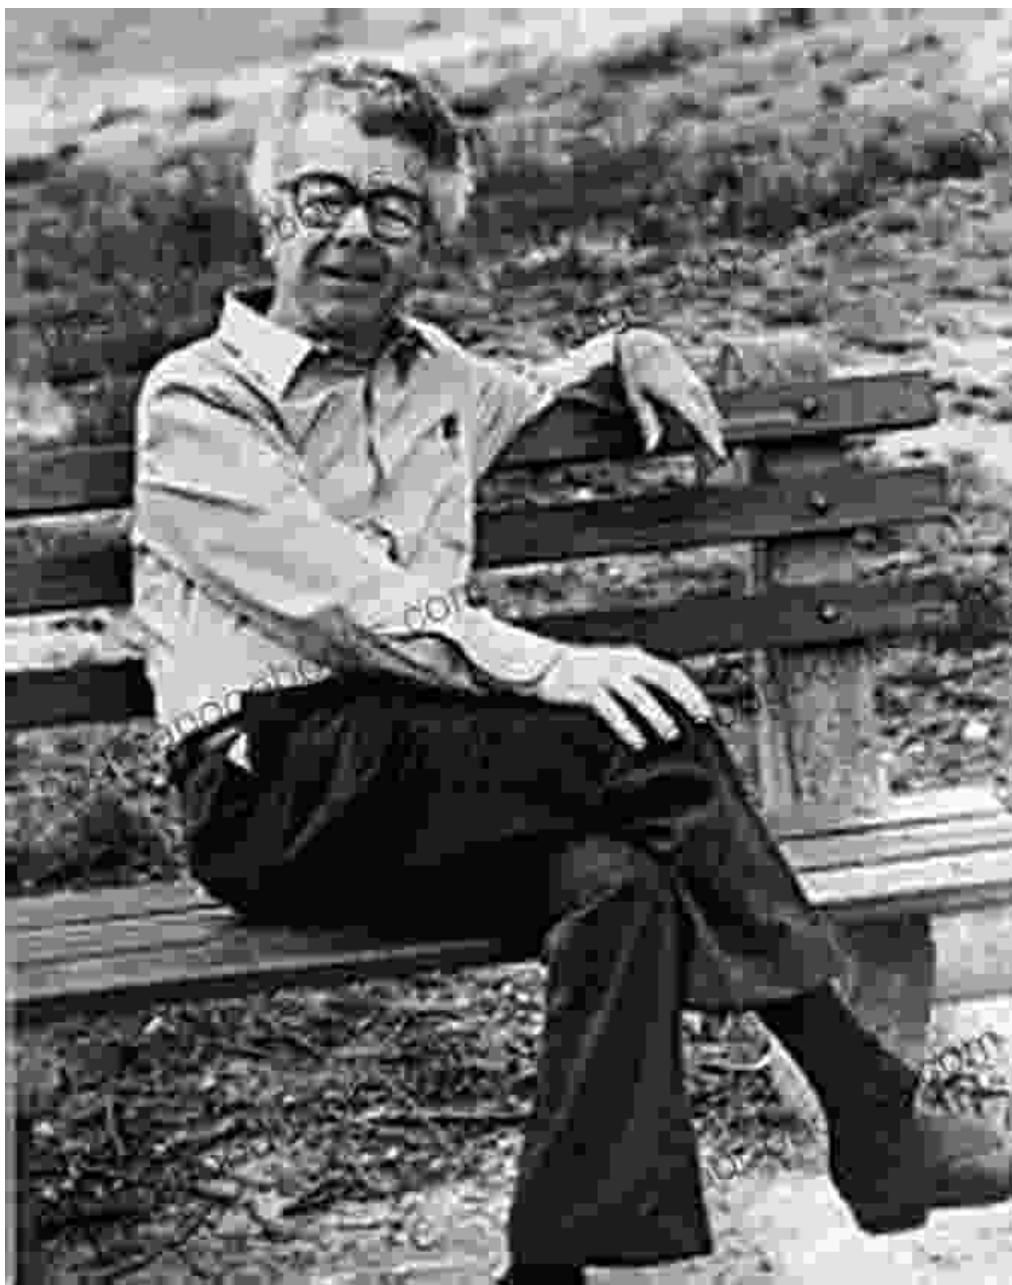

Through a series of personal anecdotes, real-life examples, and practical exercises, Harris helps us to identify and overcome the obstacles that stand in our way. He shows us how to:

- Break free from our limiting beliefs
- Stop sabotaging ourselves
- Take responsibility for our choices
- Live a more authentic and fulfilling life

If you're ready to make a change in your life, then *Wake Up, Stupid* is the book you need. It's a wake-up call that will challenge you to think differently,

act differently, and live a more fulfilling life.
